

2010 Plant Entry Classes for Northwest Orchid Society Spring Show

EXHIBITOR DIVISIONS:

- A: Beginner – (Pink tag) Those who have grown orchids for less than 5 years
- B: Experienced – (Yellow tag) Has grown for 5+ years
- C: Commercial – (Green tag) Buys or grows, and sells plants for a profit

PLANT ENTRY CLASSES:

Cypripedium Alliance

1. Paphiopedilum hybrids, primary, except as below (both parents are species)
2. Paphiopedilum hybrids, Maudiae-type, green and white only
3. Paphiopedilum hybrids, Maudiae-type, coloratum and vinicolor
4. Paphiopedilum complex hybrids, white or near white
5. Paphiopedilum complex hybrids, green and/or yellow, other than Maudiae types
6. Paphiopedilum complex hybrids, red, rose or mahogany
7. Paphiopedilum complex hybrids, other colors
8. Paphiopedilum species and hybrids, multiflowered (lowii, rothschildianum, chamberlainianum, primulinum, philippinense, etc. and their hybrids)
9. Paphiopedilum species, Brachypetalum and Parvisepalum sections (bellatulum, niveum, armeniacum, etc.)
10. Paphiopedilum species, mottled leaf (other than Brachypetalum and Parvisepalum species, includes callosum, lawrenceanum, wardii, sukhakulii, hainanense, appletonianum, etc.)
11. Paphiopedilum species, solid green leaf, other than multiflowered (e.g., insigne, villosum, charlesworthii, etc.)
12. Phragmipedium, Cypripedium, and Selenipedium hybrids
13. Phragmipedium, Cypripedium, and Selenipedium species

Pleurothallid Alliance

14. Masdevallia species and hybrids, coccinea group (veitchiana, amabilis, etc.)
15. Masdevallia species and hybrids (other than above)
16. Other Pleurothallidinae, species and hybrids including intergenerics

Cattleya Alliance

17. Cattleya Alliance Hybrids, miniature (under 10 inches from base of plant to tip of leaf)
18. Hybrids with Cattleya, white and semi-alba
19. Hybrids with Cattleya, lavender, pink, purple, or blue
20. Hybrids with Cattleya, yellow, green, or bronze
21. Hybrids with Cattleya, red, orange
22. Hybrids with Cattleya, other (including splash petal)
23. Hybrids without Cattleya (e.g., Sophrolaelia, Epilaelia, Epidendrum, Catcycilia, Guarianthe, etc.)
24. Species, Cattleya Alliance, Large Flowered (flowers over 4 inches)
25. Species, Cattleya Alliance, Small Flowered (flowers under 4 inches)

Dendrobium Alliance

26. Dendrobium Miniature Species and Hybrids under 6 inches in height excluding inflorescence
27. Dendrobium Species
28. Dendrobium Hybrids
29. Bulbophyllum and other related species and hybrids (Epigeneum, Cirrhopetalum, etc.)

Phalaenopsis/Vanda Alliance

30. Phalaenopsis species (including Doritis and Paraphalaenopsis)
31. Phalaenopsis or Doritaenopsis hybrid, white or white with colored lip
32. Phalaenopsis or Doritaenopsis hybrid, striped, any background color
33. Phalaenopsis or Doritaenopsis hybrid, pink, lavender or reddish purple
34. Phalaenopsis or Doritaenopsis hybrid, Harlequin type with large dark purple spots, any background color
35. Phalaenopsis or Doritaenopsis hybrid, spotted or barred, any background color, except as above
36. Phalaenopsis or Doritaenopsis hybrid, yellow or green without predominant markings
37. Phalaenopsis or Doritaenopsis hybrid, all other patterns and colors including red
38. Phalaenopsis or Doritaenopsis hybrid, multifloral miniatures, all colors, flowers under 7 cm
39. Vandaceous species (Vanda, Ascocentrum, Renanthera, Rhynchostylis, Aerides, etc.)
40. Vandaceous hybrids (including intergeneric other than above)

Cymbidiums

41. Cymbidium Hybrids—Standard
42. Cymbidium Hybrids—Miniature or polymin (hybrids with both standard and miniature Cymbidium species in their background)
43. Cymbidium Species

Oncidium Alliance

44. Brassia species and hybrids
45. Intergenerics with Brassia (Mtssa, Brsdm, Mclnra, Bllra, Dgmra, Odbrs, etc.)
46. Miltoniopsis species
47. Miltoniopsis hybrids, waterfalls of any color
48. Miltoniopsis hybrids, red or mostly red
49. Miltoniopsis hybrids, other color
50. Miltonia species and hybrids (including intergenerics, except as above)
51. Odontoglossum species
52. Odontoglossum hybrids, Crispum type, including Odontioda and Odontocidium
53. Odontoglossum hybrids, other than above
54. Tolumnia (syn Oncidium, equitant) species and hybrids
55. Oncidium species and hybrids (with Oncidium only)
56. Oncidium alliance species and intra-generic hybrids, other than above
57. Oncidium alliance intergeneric hybrids except as above

Angraecum, Maxillaria, Lycaste, Catesetum, Others

58. Angraecoid Species and hybrids (including Aerangis, Aeranthes, Jumellea and intergenerics)
59. Maxillaria Alliance Species and hybrids, flowers over 4 inches (including Lycaste,

Maxillaria, Bifrenaria, Chondorhyncha, Zygopetalum, etc.)

60. Maxillaria Alliance Species and hybrids, flowers under 4 inches

61. Catasetum/Stanhopea Alliance Species and hybrids (including Cycnoches, Gongora, Mormodes, etc.)

62. Other species not listed

63. Other hybrids not listed

Miscellaneous and Miniature (may be entered here in addition to classes above)

63. Miniature: Any species or hybrid under 6 inches excluding inflorescence (*)

64. All genera grown for beauty of foliage, need not be in bloom (**)

65. Any first bloomed plant, not including divisions or mericlones (***)

(*) check "Miniature" column on entry sheet

(**) check "Foliage" column on entry sheet

(***) check "First Bloom Seedling" column on entry sheet
